

Sheep and Goats Death Loss

Released May 27, 2010, by the National Agricultural Statistics Service (NASS), Agricultural Statistics Board, U.S. Department of Agriculture. For information on *Sheep and Goats Death Loss* call Everett Olbert at 202-720-4751, office hours 7:30 a.m. to 4:30 p.m. ET.

This report provides sheep and lamb losses after docking by predators and detailed breakouts for non-predator causes. Total losses of goats and kids are also provided at the U.S. level. This report is released as a cooperative effort between the National Agricultural Statistics Service and Animal and Plant Health Inspection Service.

Sheep and Lamb Death Losses

Sheep and lamb losses from animal predators and non-predator causes in the United States totaled 634,500. Losses of sheep totaled 234,500 head or 37.0 percent of total losses. Lambs losses were 400,000 head or 63.0 percent of the total.

Animal predator losses totaled 247,200 head. This represents 39.0 percent of the total losses from all causes and resulted in a loss of \$20.5 million to farmers and ranchers.

Non-predator losses of sheep and lamb totaled 387,300 or 61.0 percent of the total losses and resulted in a loss of \$36.3 million to farmers and ranchers. Harsh conditions during the 2009 winter resulted in weather related problems being the leading cause of non-predator deaths accounting for 21.5 percent. Digestive problems (Enterotoxemia, Internal Parasites, and Other digestive problems) followed for a combined 17.3 percent of non-predator deaths.

Goat and Kid Death Losses

Goat and Kid losses from all causes totaled 554,000 head in 2009. Diseases and other known causes accounted for 255,000 deaths or 46.0 percent of the total deaths. Predators accounted for 180,000 deaths or 32.5 percent of the total while the remainder of goat and kid losses at 119,000 or 21.5 percent resulted from unknown causes.

Special Note

Detailed losses by predator type are available for CO, ID, MT, UT, and WY. This information is provided through State level funding. These data can be found by accessing the NASS home page at www.nass.usda.gov and going to the individual State's website.

¹ Sheep value per head is based on a two-year straight average of the value of ewes reported in the January 1 Sheep Survey from 2009 to 2010.

² Lamb value per head is based on the market year average lamb price. An average lamb weight of 60 pounds was used in all States except Colorado, where a 90 pound average was used.

³ N ENG includes CT, ME, MA, NH, RI, and VT.

⁴ Other States include AL, AK, AR, DE, FL, GA, HI, LA, MD, MS, NJ, and SC.

⁵ US value per head is weighted between predator and non-predator losses for sheep and lambs. US value of sheep and lamb losses is the sum of state sheep and lamb losses.

¹ Unpublished States include NV, N Eng, VA, and WV for sheep. Includes chilling, drowning, lightning, etc.

² Lambs lost due to lambing problems are not applicable for AZ, CA, ID, MT, NV, NM, OR, TX, UT, WA, and WY. These States ask lambs lost before and after docking while all other States only ask for lambs lost. Estimates shown here are after docking losses only. Before docking loss estimates are available in state level publications for CO, ID, MT, UT, and WY.

³ New England includes CT, ME, MA, NH, RI, and VT.

⁴ Other States include AL, AK, AR, DE, FL, GA, HI, LA, MD, MS, NJ, and SC.

⁵ States with values that did not meet publication requirements were combined into the Unpublished States category.

⁵ States with values that did not meet publication requirements were combined into the Unpublished States category.

**Losses of All Goats: Number by Predators,
Diseases or Other Known Causes, Unknown Causes, and Total Value, 2009**

Item	Losses		Total Value
	Goats	Kids	All Goat Losses
	<i>Head</i>	<i>Head</i>	<i>1,000 Dollars</i>
Predator	60,000	120,000	18,720
Diseases and Other Known Causes	80,000	175,000	26,520
Unknown Causes	41,000	78,000	12,376
Total	181,000	373,000	57,616

¹ Goat value per head is based on a two-year straight average, using Texas data, of the value of all goats reported in the January 1 Sheep and Goat Survey from 2009 to 2010.

Reliability of Sheep and Goat Predator and Non-Predator Loss Estimates

Survey Procedures: A random sample of U.S. producers was surveyed to provide data for these estimates. Survey procedures ensured that all sheep producers, regardless of size, had a chance to be included in the survey. Large producers were sampled more heavily than small operations. About 23,000 operators were contacted during the first half of January by mail, telephone and face-to-face personal interview.

Estimation Procedures: Total death losses from all causes for sheep and lambs were as reported in "*Meat Animals, Production, Disposition, and Income - 2009*" (released April 29, 2010).

In setting the predator and non-predator loss estimates, first total predator and non-predator losses were estimated as a percent of total losses, then specific predator and non-predator losses were estimated as a percent of total predator and non-predator losses.

Revision Policy: Revisions to previous estimates are made to improve the current estimate. Previous year estimates are subject to revision when current estimates are made. Estimates for losses from all causes are subject to revision in next year's "*Meat Animals, Production, Disposition, and Income*". No revision to predator or non-predator losses is planned.

Information Contacts

Listed below are the commodity specialists in the Livestock Branch of the National Agricultural Statistics Service to contact for additional information.

Dan Kerestes, Chief, Livestock Branch	(202) 720-3570
Scott Hollis, Head, Livestock Section	(202) 690-2424
Jim Collom – Dairy Products	(202) 690-3236
Joe Gaynor – Dairy Products Prices	(202) 690-2168
Jason Hardegree – Cattle, Cattle on Feed	(202) 720-3040
Sherry Bertramsen – Livestock Slaughter	(515) 284-4340
Everett Olbert – Sheep and Goats	(202) 720-4751
Mike Miller – Milk Production and Milk Cows	(202) 720-3278
Nick Streff – Hogs and Pigs	(202) 720-3106

ACCESS TO REPORTS!!

For your convenience, there are several ways to obtain NASS reports, data products, and services:

INTERNET ACCESS

All NASS reports are available free of charge. For free access, connect to the Internet and go to the NASS Home Page at: www.nass.usda.gov.

E-MAIL SUBSCRIPTION

All NASS reports are available by subscription free of charge direct to your e-mail address. Starting with the NASS Home Page at www.nass.usda.gov, under the right navigation, *Receive reports by Email*, click on **National** or **State**. Follow the instructions on the screen.

PRINTED REPORTS OR DATA PRODUCTS

CALL OUR TOLL-FREE ORDER DESK: 800-999-6779 (U.S. and Canada)
Other areas, please call 703-605-6220 FAX: 703-605-6880
(Visa, MasterCard, check, or money order acceptable for payment.)

ASSISTANCE

For **assistance** with general agricultural statistics or further information about NASS or its products or services, contact the **Agricultural Statistics Hotline** at **800-727-9540**, 7:30 a.m. to 4:00 p.m. ET, or e-mail: nass@nass.usda.gov.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
